Title: Family Engagement
Code: KAB
Book: WJCC Policy Manual
Section K: School-Community Relations

Williamsburg-James City County Schools recognizes the vital role families have in supporting students' academic and personal success. As such, schools will create a welcoming environment where parents/guardians are encouraged to engage as a partner in their child's learning and participate in school-related activities as appropriate. Through successful school/home relationships, the division endeavors to provide all families with resources and strategies that reduce barriers and extend learning beyond the classroom.
