Title: Volunteers and Partners
Code: KKA
Book: WJCC Policy Manual
Section K: School-Community Relations

Williamsburg-James City County Schools welcomes volunteers and partners who donate their time, talent, expertise, and resources. The division recognizes that cultivating relationships with volunteers and encouraging mutually beneficial partnerships with businesses, non-profit and faith-based organizations, and civic groups augment students' academic, social, and career development.

WJCC Schools' guests, volunteers and partners are subject to all applicable policies and procedures, including visitor guidelines and the Volunteer and Partnership Expectations & Code of Conduct. The Department of Communications and Engagement will oversee the division's volunteer and partnership programs and will regularly review the Volunteer and Partnership Expectations & Code of Conduct.

School and division volunteers should complete a Volunteer Application and assist schools and division programs as needed under the supervision of the principal or division designee. As partners, representatives of businesses, organizations, and community groups will collaboratively work with school or division partnership designees to document their work as defined in Policy KQ, *Commercial, Promotional, and Corporate Sponsorships and Partnerships*.
